Jimmy,
Remember
at the beginning
of the year when
we had science together?
It was sure a lot of fun
in that class hah. Sometimes

Next year it is going to be so
boring with all of the seniors being
gone. I'm really going to miss you a lot.
You're a real sweet guy, and I hope
you stay that way. Maybe I can

1963-1980

Well, can you believe it? We've finally got this yearbook finished. Before I leave, I'd like to give my very special thanks to our Advisor, Mr. Stan Godecke; the photographers, Mr. Ron Marvin, Scott Phillips, Joe Bariffi, and Bruce Hamilton; and especially, the artist, Doug Kirk. I think they deserve a lot of thanks. So "I thank you." And goodbye, South High, may your spirit fly high, and your colors wave with pride.

Well, I think your a real nice guy, I guess we have had our share of differences in the past, but it's all over know. I am glad I have gotten to be friends with you, I hope it will last. You know I used to have the biggest crush on you, but I guess you never noticed. Maybe someday when your unattached we can go out and have a good time. Well have a nice Summer, and stay out of trouble.
